Description

Occupational blucher type shoe with antistatic nitrile rubber sole.

Upper

Black full-grain cowhide leather with a thickness of 2.0–2.2 mm.

Lining

Anti-allergic polyamide base material, with high resistance to abrasion, absorption and drying of perspiration.

Insole

Antibacterial, ergonomically designed to distribute foot pressure, with arch support, heel counter support, and heel cushioning to provide comfort, relief, and a dry interior. Features antibacterial, antistatic, and breathable properties.

Outsole

Black anti-static nitrile rubber sole, providing good energy absorption in the heel, insulation against cold and heat, resistance to hydrocarbons, petrol and oils, and resistance to contact heat.

Toe cap: metallic, with impact resistance of 200 J.

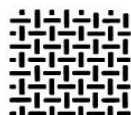

Fastening system: laces.

Height: 65 mm ± 5% (Size 42)

Sizes: 35-48 EU/2-13 UK
