Description

Occupational shoe, sportive style. Padded collar and tongue, upper in textile material, toecap reinforcement in cowhide and antistatic nitrile rubber sole filled with expanded polyurethane.

Upper

High tenacity anti-allergic outer mesh. It offers great resistance to abrasion, absorption and drying of perspiration. Lightweight, waterproof and breathable material.

Lining

Anti-allergic polyester base material, with high resistance to abrasion, absorption and drying of perspiration.

Insole

Foam material with textile support, ergonomic design according to biomechanical running patterns.

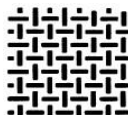

Outsole

Antistatic, nitrile rubber sole with non-slip design and anti-tip pads (anti-torsion system) filled with antistatic, foamed, low-density polyurethane that provides great cushioning. The design of the sole has wide contact surface, brake area cleats and evacuation channels. It provides thermal insulation.
