

HORUS LEGACY GTX 6.0

O6+HI+CI+HRO+FO+SR

EN UNE ISO 20347:2022

Description

Low work boot in Cordura textile material, padded collar, tongue and bellows tongue and antistatic nitrile rubber sole filled with expanded EVA.

Upper

Main fabric, outer textile by CORDURA® composed of high tenacity polyamide. It offers the highest resistance to abrasion in extreme conditions. Lightweight, waterproof and breathable material.

Lining

Waterproof and breathable Gore-Tex®, dual component based on PTFE+PU.

Insole

Antibacterial, ergonomic design according to the distribution of plantar pressures, arch support, retro capital support and confinement of the soft tissues of the heel, providing comfort, rest and absence of moisture inside the shoe. Anti-bacterial, anti-static and breathable treatment.

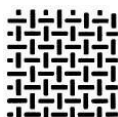

Outsole

Antistatic, VIBRAM® nitrile rubber sole with non-slip design filled with antistatic, foamed with EVA, which provides great cushioning. The design of the sole has wide contact surface, brake area cleats and evacuation channels. It provides thermal insulation.

Fastening system: laces.

Height: 100 mm ± 5% (Size 42)
